Notice of Correction: in September 2023, anomalies were identified in the Monthly Trade Reports which resulted in the estimated trade value figures in January and February reports being lower than expected. Similarly, the estimated trade value figures in the July & August reports were significantly higher than expected. The issues that caused the estimated trade value figures to be incorrectly reported in previous versions of these reports have been resolved. Reporting methods have been changed and data validation process improved. As result PON a republished its January to August trade results as at **25th September 2023**.
